Digital Competences

Self assessment grid / Informations about [Digital Competences](#)

| Information Processing | Content creation | Communication | Problem solving | Safety |
|------------------------|------------------|-----------------|-----------------|-----------------|
| Proficient user | Proficient user | Proficient user | Proficient user | Proficient user |

Office

Perfect manipulation of any office suite (including **Microsoft Office**, **Open Office**, **Libre Office**, **Pages/Numbers/Keynote**, **Google Sheets/Docs/Slides**).

Content creation

Adobe Creative Suite (**After Effects**, **Premiere**, **Photoshop**, **Illustrator**, **Indesign**, **Audition**) and 3D programs (**SolidWorks**, **SketchUp**, **C4D**, **Blender**, **Fusion 360**)

Programming

Advanced capabilities in **HTML5**, **SASS/CSS3**, **PHP**, **JavaScript**, **Python**
Experienced a few CMS (**Wordpress**, **Drupal**, **Shopify**), frameworks (**Bootstrap**, **Django**), libraries (**jQuery**, **ReactJS**)

Tools

Usage of **NodeJS**, **GIT** and different kinds of databases (**MySQL**, **Redis**, **MongoDB**). Development of projects based on **Arduino** boards and similar micro-controllers. Basic electronic knowledge.

Operating Systems

Familiarities with **OSX/macOS**, **Linux & Windows**. Experience with command line interfaces and scripting. Server & network administration (mostly LAMP based but not only).

Various

Excellent knowledge of software & hardware computer science.

Other competences

Technology

Proficiency with IT tools, hardware and software, thanks to my skills gained in a self-educated way. Excellent web culture, I keep myself informed about technological evolutions and I am always willing to learn to use new technologies

Communication

Customer relationship competences due to my cashier experience, my volunteering at Le Romandie, and some previous works.

Management

Management aptitudes gained through my role as Lighting Technical Manager at Le Romandie. I'm in charge of the lighting team, ordering equipment based on a budget, installing and maintaining equipment, and planning the technical aspects of the shows.

Various

First aid training - Certificate of Prevention and Civic Rescue Level 1 (PSC1)
Culture - Volunteer as Lighting Technical Manager (sometimes helping at the bar) and member of the committee at a small concert venue in Lausanne called Le Romandie.
Hobby - Possesses a Private Pilot Licence (PPL-A).
